Acknowledgments **ix**

About the Author **xi**

Introduction **1**

Strategy 1: Attributions—The Power of Attributing Student Success to Efforts **5**
- Attributions Defined 5
- Live Action From the Classroom 6
- What the Research Says 7
- Basic Directions to Follow When Utilizing This Intervention 9
- Troubleshooting if the Intervention Is Not Working 10
- A Checklist to Help You Remember 11

Strategy 2: Behavior Momentum—Beginning With Easy Tasks That Ensure Success in More Difficult Tasks **13**
- Behavior Momentum Defined 13
- Live Action From the Classroom 14
- What the Research Says 15
- Basic Directions to Follow When Utilizing This Intervention 16
- Troubleshooting if the Intervention Is Not Working 18
- A Checklist to Help You Remember 19

Strategy 3: Behavior Interspersal—Interspersing Easy Tasks With Difficult Tasks **21**
- Behavior Interspersal Defined 21
- Live Action From the Classroom 21
- What the Research Says 24
- Basic Directions to Follow When Utilizing This Intervention 25
- Troubleshooting if the Intervention Is Not Working 26
- A Checklist to Help You Remember 27

Strategy 4: Behavior-Specific Praise—Letting Students Know Exactly What They Did When You Reinforce Them **29**
Behavior-Specific Praise Defined 29
Live Action From the Classroom 29
What the Research Says 30
Basic Directions to Follow When Utilizing This Intervention 32
Troubleshooting if the Intervention Is Not Working 38
A Checklist to Help You Remember 39

Strategy 5: Supportive Proximity Control—Building Positive Relationships by Moving Around the Room **41**
Supportive Proximity Control Defined 41
Live Action From the Classroom 43
What the Research Says 45
Basic Directions to Follow When Utilizing This Intervention 47
Troubleshooting if the Intervention Is Not Working 51
A Checklist to Help You Remember 52

Strategy 6: Interest-Based Interventions—Incorporating Student Interests in Classroom Activities **53**
Interest-Based Interventions Defined 53
Live Action From the Classroom 54
What the Research Says 55
Basic Directions to Follow When Utilizing This Intervention 57
Troubleshooting if the Intervention Is Not Working 62
A Checklist to Help You Remember 62

Strategy 7: Premack Principle—The Student First Does the non-Preferred Behavior to Do the Preferred Behavior—Grandma's Law **63**
Premack Principle Defined 63
Live Action From the Classroom 64
What the Research Says 65
Basic Directions to Follow When Utilizing This Intervention 66
Troubleshooting if the Intervention Is Not Working 68
A Checklist to Help You Remember 69

Strategy 8: Choices—Empowering Students by Giving Them Choices **71**
Choices Defined 71
Live Action From the Classroom 71
What the Research Says 73
Basic Directions to Follow When Utilizing This Intervention 74

Troubleshooting if the Intervention Is Not Working 77
A Checklist to Help You Remember 78

Strategy 9: Response Cards—Collective Checks for Understanding 79
Response Cards Defined 79
Live Action From the Classroom 80
What the Research Says 81
Basic Directions to Follow When Utilizing This Intervention 83
Troubleshooting if the Intervention Is Not Working 86
A Checklist to Help You Remember 87

Strategy 10: Differential Reinforcement of Other Behavior—Reinforcing Other Appropriate Behavior Desired to Eliminate Inappropriate Behavior 89
Differential Reinforcement of Other Behavior Defined 89
Live Action From the Classroom 90
What the Research Says 92
Basic Directions to Follow When Utilizing This Intervention 93
Troubleshooting if the Intervention Is Not Working 96
A Checklist to Help You Remember 96

Strategy 11: Fading—Providing Maximum Cues and Slowly Removing the Cues to Ensure Errorless Learning 97
Fading as an Errorless Learning Tool Defined 97
Live Action From the Classroom 97
What the Research Says 100
Basic Directions to Follow When Utilizing This Intervention 102
Troubleshooting if the Intervention Is Not Working 105
A Checklist to Help You Remember 105

Strategy 12: Function-Based Strategies—Understanding the Reason the Student Is Misbehaving to Plan an Appropriate Intervention 109
Function-Based Interventions Defined 109
Live Action From the Classroom 110
What the Research Says 112
Basic Directions to Follow When Utilizing This Intervention 113
Troubleshooting if the Intervention Is Not Working 116
A Checklist to Help You Remember 117

Strategy 13: Strength-Based Strategies—Capitalizing on the Strengths of Your Students 119
Strength-Based Interventions Defined 119
Live Action From the Classroom 121

What the Research Says 122
Basic Directions to Follow When Utilizing This Intervention 124
Troubleshooting if the Intervention Is Not Working 127
A Checklist to Help You Remember 127

Strategy 14: Sensory-Based Strategies—Understanding How Stimulation Impacts Performance 129
Sensory Interventions Defined 129
Live Action From the Classroom 130
What the Research Says 132
Basic Directions to Follow When Utilizing This Intervention 133
Troubleshooting if the Intervention Is Not Working 137
A Checklist to Help You Remember 137

Strategy 15: Student Self-Monitoring—Teaching Independence by Having Students Monitor Their Own Behavior 139
Self-Monitoring Defined 139
Live Action From the Classroom 140
What the Research Says 142
Basic Directions to Follow When Utilizing This Intervention 144
Troubleshooting if the Intervention Is Not Working 147
A Checklist to Help You Remember 147

Conclusion 149
